Type: **Poster**

Development of a VUV-VIS-Spectrometer for Target Characterisation

Tuesday, 30 September 2014 20:00 (2 hours)

Primary author: REISS, Philipp (Institute of Physics and CINSaT, University of Kassel)

Co-authors: Dr KNIE, Andre (Institute of Physics and CINSaT, University of Kassel); Prof. EHRESMANN, Arno (Institute of Physics and CINSaT, University of Kassel)

Presenter: REISS, Philipp (Institute of Physics and CINSaT, University of Kassel)

Session Classification: Poster session

Track Classification: Elementary atomic processes explored with cooled few-electron ions
