

SHIM 2015 Swift Heavy Ions in Matter

Monday 18 May 2015

Session 1 - Darmstadtium (09:30-11:10)

-Conveners: Akio Itoh

time	[id] title	presenter
09:30	[235] Fragmentation of He and Ne dimers by swift heavy ions	Dr SCHÖFFLER, Markus
10:00	[94] Quasi-equilibrium in charge state evolution for swift heavy ions after passing through carbon foils	IMAI, Makoto
10:20	[239] Primary processes: from ion-solid to ion-ion collisions	Prof. LAMOUR, Emily
10:50	[174] Fragmentation mechanism of neon dimer induced by O ₆₊ ions	Prof. MA, Xinwen
