

# MatX - 2nd workshop on "Materials in Extreme Environments"

## Monday 03 November 2014

### Materials performance in extreme radiation conditions (09:00-10:30)

time	[id] title	presenter
09:00	[1] High Power Beam Dump for FRIB	Dr AVILOV, Mikhail
09:30	[2] Performance of structural materials in Swiss spallation targets	DAI, Yong
10:00	[3] Energy resolution of diamond detectors	Dr POMORSKI, Michal
