

MatX - 2nd workshop on "Materials in Extreme Environments"

Tuesday 04 November 2014

Diagnosing extreme matter with penetrating radiation (09:00-10:30)

time	[id] title	presenter
09:00	[14] X-ray diagnostics for matter at extreme conditions	Dr NEUMAYER, Paul
09:30	[16] Dynamic studies of carbon under extreme conditions using the Linac Coherent Light Source	KRAUS, Dominik
10:00	[12] Laser-based sources of protons and neutrons	ROTH, Markus
