

MatX - 2nd workshop on "Materials in Extreme Environments"

Tuesday 04 November 2014

Materials response to rapid, high-density energy deposition: experiments - KBW (13:30-15:30)

time	[id] title	presenter
13:30	[21] Capabilities of HiRadMat facility at SPS-CERN	Dr FABICH, Adrian
14:00	[22] Characterization methods of high dynamic response under extreme particle beam impact	Mr GRADASSI, Paolo
14:30	[24] Beam-Matter Interaction Studies: Calculation of Single Shot and Long Term Ion Beam Targets	Dr TAHIR, Naeem Ahmad
15:00	[25] Phase Field Modelling of Dynamic Thermal Fracture	Mr SCHLÜTER, Alexander
