

CRYRING@ESR Detectors Workshop

Monday 09 May 2016 - Tuesday 10 May 2016

GSI Helmholtzzentrum für Schwerionenforschung

Scientific Programme

Introduction and CRYRING@ESR physics case overview

Project status

Detector mounts and chambers

Progress on low-energy particle detectors: DSSDs, Si-Telescopes, Diamond detectors, scintillators

Particle detectors at related facilities: progress reports for CSR and FISIC detectors

Visits to the CRYRING@ESR construction site
