

# PANDA MEC-Session

## *Works In Progress*

Updates

Ongoing

Proposals

# Updates since last MEC-Session

- Updates on:
  - MVD
  - Central Tracker
  - Forward Endcap
  
- No updates, since last MEC-session on:
  - Alignment
  - Other Cable Routing issues

# Ongoing actions

- At last MEC session, 7-March-17, a scheme (excel) was presented for Cable Data Tables for all services required.
- *End of Services (from detector)*
- *Patch Panels*
- *Services from PP to Racks*
- *Racks*
- Each detector please send this info to TC group (Tassos), soon.....

# Proposals

- To keep abreast of new developments and ongoing work & strengthen the collaborative work of highly motivated experts:
- A regular MEC meeting, i.e. monthly MEC meeting ← your opinion
- An extended MEC workshop at some point this year
  - Date, duration, location ← your opinion
