

# XQCD 2018

## Tuesday 22 May 2018

### Contributed Talks (11:00-12:30)

time	[id] title	presenter
11:00	[9] Probing the longitudinal matter distribution in heavy ion collisions with heavy flavor	CHATTERJEE, sandeep
11:30	[27] Photons as probes of gluon saturation in p+A collision	Mr GARCIA MONTERO, Oscar
12:00	[21] Measuring the rate of isotropization of quark-gluon plasma using rapidity correlations	Prof. MOSCHELLI, George
