

# Nordic Winter Meeting on Physics @ FAIR

## Thursday 25 March 2010

### Nuclear Reactions and Astrophysics: NA1 (08:30-12:00)

-Conveners: Giuseppina Orlandini

time	[id] title	presenter
08:30	[35] Reaction measurements on and with radioactive isotopes for nuclear astrophysics	Dr REIFARTH, Rene
09:30	[19] A complete kinematics approach to study multi-particle final state reactions	Mr KIRSEBOM, Oliver S.
10:00	Coffee break	
10:30	[51] Exotic nuclear structure and reactions from an ab initio perspective	Prof. FELDMEIER, H.
11:30	[9] Structure and dynamics from the time-dependent Hartree-Fock model	Ms SUCKLING, Emma
