

# Probing dense baryonic matter with hadrons: Status and Perspective

## Wednesday 13 February 2019

Comparison between different transport models and similarities to neutron star mergers - KBW Lecture Hall

(09:45-11:15)

time	[id] title	presenter
09:45	[14] Comparison between different transport models	DANIELEWICZ, Pawel
10:15	Discussion	
10:30	[15] Neutron star mergers vs. heavy-ion collisions	Dr HANAUSKE, Matthias
11:00	Discussion
