

ExtreMe Matter Institute EMMI

EMMI Workshop

Cold dense nuclear matter: from short-range nuclear correlations to neutron stars

October 13-16, 2015, GSI, Darmstadt, Germany

Topics

- Nuclear Dynamics at Short Distances
- Short Range Correlations
- Non-Nucleonic Degrees of Freedom
- Color Transparency
- Nuclear Structure calculations
- Medium Modifications

Information

<http://www.gsi.de/emmi/workshops>

Organizers

Thomas Aumann, GSI & TU Darmstadt
Eli Piasetzky, TAU, Israel
Misak Sargsian, Florida Int. University, USA
Mark Strikman, Pennsylvania State University, USA
