

The 4th EMMI workshop on Plasma Physics with Intense Heavy Ion and
Laser Beams

Contribution ID: 19

Type: **not specified**

**Radiobiological applications of laser accelerated ion
beams and visions for future laser plasma research
infrastructure**

Tuesday, 3 May 2011 11:00 (30 minutes)

Presenter: SCHRAMM, U. (Helmholtz-Center Dresden, Germany)

Session Classification: Study of Extreme Plasma States by Lasers/FEL
