

# In-Kind Procurement at FAIR

David Urner

Head In-Kind and Procurement

# Every Project has its own In-Kind Process!

## FAIR:

## Issues:

Most Shareholder did not plan for personnel

How to deal with technical changes of the accelerator

How to deal with scope changes severe price fluctuations

## Changes introduced:

Re-evaluation of CB for updated accelerator scope (Review 2019)

In-kind Monitoring Group (IKMG):

- international specialists
- proposes needed CB adaptations

**Increase of ILOs role in FAIR In-kind Process**

Correct prices again
