

EMMI-JINA Workshop: Nucleosynthesis beyond iron and the lighter element
primary process

Contribution ID: 24

Type: **not specified**

**r-process nucleosynthesis and chemical evolution in
the early Galaxy**

Wednesday, 12 October 2011 09:00 (40 minutes)

Presenter: QIAN, Y.-Z.

Session Classification: First session: supernovae, r-process and vp-process
