

# EMMI-JINA Workshop: Nucleosynthesis beyond iron and the lighter element primary process

## Tuesday 11 October 2011

**First session: Stellar evolution - Lecture Hall (KBW) (09:00-10:20)**

time	[id] title	presenter
09:00	[10] Pre-supernova evolution of massive stars	LANGER, N.
09:40	[11] Low- and intermediate mass stellar evolution and recurrent H-ingestion events in super-AGB thermal pulses	HERWIG, F.
