

QWG 2022 - The 15th International Workshop on Heavy Quarkonium

Monday 26 September 2022

Session 1.1 - AUD (09:45-10:45)

-Conveners: Vato Kartvelishvili

time	[id] title	presenter
09:45	[4] Multiplicity dependence of quarkonium production in pp collisions from ALICE	ANDRONIC, Anton
10:05	[5] Two-loop QCD corrections to exclusive $J/\psi + \chi_{cJ}$ production at B factories	ZHANG, Jia-Yue
10:25	[6] Observation of multiple near-threshold structures in $J/\psi J/\psi$ mass spectrum at CMS	ZHANG, Jingqing
