

Artificial intelligence symposium on theory, application and research

Wednesday 06 October 2021

Research, methods and algorithms: Research, methods and algorithms (09:00-10:30)

-Conveners: **Mohammad Al-Turany**

time	[id] title	presenter
09:00	[12] Hybrid operational digital twins for complex systems	Prof. FINK, Olga
09:30	[13] Deep Learning: Graph Networks	Dr KUNZE, Marcel
10:00	[14] Application of Machine Learning Analysis Techniques in Particle Physics	WILKINSON, Jeremy

Research, methods and algorithms: Research, methods and algorithms (11:40-12:40)

-Conveners: **Mohammad Al-Turany**

time	[id] title	presenter
11:40	[19] AI Planning & Scheduling for Intelligent Decision-Making Support and Optimization	Dr FRATINI, Simone
12:10	[20] Natural Language Processing & Understanding in Space: Progress & Challenges Ahead	GÓMEZ-PÉREZ, José Manuel
