

Artificial intelligence symposium on theory, application and research

Tuesday 05 October 2021

Area of applications: Keynote 2 (10:30-11:15)

time	[id]	title	presenter
10:30	[18]	AI as a means for Intelligence Amplification and Augmentation	Prof. DENGEL, Andreas

Wednesday 06 October 2021

Area of applications: Areas of application (09:00-10:30)

-Conveners: Gabriele De Canio

time	[id] title	presenter
09:00	[15] Transforming space mission operations with AI	Dr DE CANIO, Gabriele
09:30	[16] AI robotics for sustainable space exploration and exploitation	Prof. GAO, Yang
10:00	[17] Digital Twins of Matter under Extreme Conditions	Dr BUSSMANN, Michael

Area of applications: Area of applications (11:40-12:40)

-Conveners: Gabriele De Canio
