

# ACCELERATOR SEMINAR

**Ciprian Plostinar**

ESS

**Thursday, 3<sup>rd</sup>. February 2022 at 4 pm**

**Online-Seminar via Zoom**  
**(ID: 618 8802 6221 / PW: 570012)**

## **Accelerator Installation Testing and Commissioning at the European Spallation Source**

The construction of the ESS accelerator is in full swing with many key components delivered from our in-kind partners. This seminar will highlight recent progress with the installation, testing and commissioning of the machine, discuss the upcoming phases and present some of the challenges and the lessons learned so far.
