

# EMMI+IReNA Workshop "Remnants of neutron-star mergers – Connecting hydrodynamics models to nuclear, neutrino, and kilonova physics"

## Wednesday 19 October 2022

**Neutrino session 3 - KBW Lecture Hall (14:30-15:00)**

time	[id] title	presenter
14:30	[18] Collisional neutrino flavor instabilities in spherically symmetric supernova models (in-person)	XIONG, Zewei
