

EMMI+IReNA Workshop "Remnants of neutron-star mergers – Connecting hydrodynamics models to nuclear, neutrino, and kilonova physics"

Wednesday 19 October 2022

Nucleosynthesis session 3 - KBW Lecture Hall (17:45-18:45)

time	[id] title	presenter
17:45	[23] Key uncertainties in astrophysical r-process nucleosynthesis (in-person)	LUND, Kelsey
18:15	[24] Possible observational properties of r-process nucleosynthesis in jet-driven core-collapse supernovae (in-person)	NISHIMURA, Nobuya
