

Workshop for young scientists with research interests focused on physics at FAIR

Sonntag, 2. September 2012 - Sonntag, 9. September 2012

Wissenschaftliches Programm

<div>

There will be an inspiring mixture of new theoretical developments and experimental research:

_{Physics of hot and dense nuclear matter, QCD phase transitions and critical point}

_{Nuclear structure, astrophysics and reactions}

_{Hadron Spectroscopy, Hadrons in matter and Hypernuclei}

_{Special emphasize is put on the experiments CBM, HADES, PANDA, NUSTAR, as well as NICA and the RHIC low beam energy scan}

_{New developments in atomic and plasma physics}

<u>**Proceedings**</u>

<div>

Proceedings will be published as a volume of 'Journal of Physics: Conference Series' by IOP. Each participant will be allocated a proceedings contribution of 5 pages. Deadline for submission of proceedings contributions: 15 November 2012. Please submit your contribution per email to diana.nicmorus at fair-center.eu.

Updated information concerning the style files will follow soon and will be given to participants via email as well.
