## **Preparations for and Discussions about Maus-Türöffner-Tag 2022**

*Monday, 16 May 2022 15:45 (30 minutes)*

I would like to encourage all German PANDA groups to participate in the „Türöffner-Tag 2022“ of „Die Sendung mit der Maus“.

The motto of 2022 is „Spannende Verbindungen“ („Exciting Connections“) and we should discuss here ideas how we can present PANDA and our research to a young audience.

For explanations about the „Türöffner-Tag“, see my presentation from the CM 21/3: <https://indico.gsi.de/event/12089/contributions/10-25.pdf>
