

# GET\_INvolved Programme

**05 Years of GET\_INvolved Programme, Status  
report, Achievements, Challenges, What's next?**

**Dr. Pradeep Ghosh**

# Exposure of GET\_INvolved

A short glimpse on the extent to which the GET\_INvolved Programme has gained progress and momentum to acquire the talent and working on ahead for partnerships

Beneficiaries were having a PhD degree.

Beneficiaries were enrolled in doctoral or PhD degree at a foreign University

Beneficiaries were enrolled in Master degree at a foreign University

Beneficiaries were enrolled in Bachelor degree at a foreign University

**38+**

**institutions until 2021 joined with a dedicated partnership Programme**

# Bi(multi)lateral Partnerships

GET\_INvolved Programme framework provide, partnerships with several funding model specific to the needs of the experimental collaborations and GSI/FAIR

# Opportunities

All Programme and opportunities are broken down into these legal framework tools developed together with the Legal and HR.

The PROCESSING time has been reduced by 90% for Traineeships and up to 50% for Research scholarships

## Internships

for enrolled students in Bachelors/Masters degree in science and engineering

## Traineeships

for students from European Union having a Masters degree in science and engineering.

## Research Experience

for enrolled PhD students or recent doctorates (postdocs) or equivalent with focus on FAIR/GSI research.

# GET\_INvolved Programme

## INTERNSHIP

Ideal for undergraduate and graduate students looking for improving their skills and having an internship in between their semester or for a dedicated semester to perform a thesis/dissertation.

Eligibility: Bachelor/Master students

Duration: 2-6 months

Funding: Yes

Application: application portal anytime

Bachelor Students (in 5th semester or above)

For Partner funded Programme please refer to our webpage or consult us via email.

[www.fair-center.eu/GET\\_INvolved](http://www.fair-center.eu/GET_INvolved)

# GET\_INvolved Programme

## TRAINEESHIP

Ideal for undergraduate and graduate students (doctoral researcher also eligible) looking for improving their skills and having a traineeship abroad during their semester break or for a dedicated project in connection with in their curriculum.

Eligibility: Bachelor/Master/ PhD students.

Duration: 2-12 months

Funding: Yes, partly via Erasmus+

Application: application portal anytime

For Partner funded programme please refer to our webpage or consult us via email.

[www.fair-center.eu/GET\\_INvolved](http://www.fair-center.eu/GET_INvolved)

# GET\_INvolved Programme

## RESEARCH

Ideal for doctoral students and post-doctoral researcher looking for collaborating on a dedicated project in connection with in their research work and experience.

Eligibility: PhD students/PhD holders

Duration: 6-12 months

Funding: Yes, partly funded

Application: application portal anytime

For Partner funded Programme please refer to our webpage or consult us via email.

[www.fair-center.eu/GET\\_INvolved](http://www.fair-center.eu/GET_INvolved)

A woman with brown hair tied back, wearing a light blue and white striped shirt, is shown in profile from the chest up, looking to the right with her mouth open as if speaking. To her right, a light blue speech bubble with a white outline contains the text "What's in it for me?". The background is a solid, medium blue color.

What's in it for me?

# GET\_INvolved Programme

## RESEARCH **OUTGOING** **INCOMING**

Ideal for doctoral students and post-doctoral researcher looking for collaborating on a dedicated project in connection with in their research work and experience.

Eligibility: PhD students/PhD holders  
(with University Affiliation)

Duration: 08 weeks +

Funding: Yes, partly funded.

Application: application almost anytime – consult with us

For Partner funded Programme please refer to our webpage or consult us via email.

# Next Steps at GET\_INVolved

Following specific initiatives are planned but yet to be implemented

## Alliances like EUt+

## Implementation of Internship concept

## FAIR Project Associate Programme

## Industry Sponsored Programme

## Sci. /Tech. Assistant Programme

# Key Message

**Programme has grown 119% w.r.t. 2022. The focus now is to nurture our partnerships and partners to build capacity for the future operation of FAIR.**

We are extremely delighted to support NUSTAR in engaging more students and researchers through diverse Programme in the portfolio of GET\_INVolved Programme.

## Summary

GET\_INvolved Programme
