

# Understanding light (anti-)nuclei production at RHIC and LHC

## Wednesday 10 April 2024

### Coalescence models - SB1 Lecture Hall (14:00-19:45)

time	[id] title	presenter
14:00	[15] Coalescence model: status and limitations	KO, Che-Ming
14:45	[16] The connection between correlations and coalescence	HORST, Maximilian
15:30	Coffee Break	
16:00	[17] Perspectives for the coalescence model	MROWCZYNSKI, Stanislaw
16:45	[18] Free Discussion
