

Understanding light (anti-)nuclei production at RHIC and LHC

Thursday 11 April 2024

Kinetic production of light clusters 1 - SB1 Lecture Hall (09:00-12:30)

time	[id] title	presenter
09:00	[19] Production/Transport of light nuclei using URQMD	STEINHEIMER, Jan BLEICHER, Marcus BLEICHER, Marcus
10:00	[29] Free discussion	
10:30	Coffee Break	
11:00	[20] Production/Transport of light nuclei using SMASH	EGE, Martha
12:00	[30] Free discussion
