

# Superconductivity for Sustainable Energy Systems and Particle Accelerators

## Thursday, October 19, 2023

**Session 2 - SB1.1.201 Lecture Hall & Side Room (10:50 AM - 12:50 PM)**

-Conveners: Anna Szwangruber

time	[id] title	presenter
10:50 AM	[3] Test Stand for Energy-Responsible Accelerator Systems	ARNSBERG, Jonas
11:20 AM	[6] Demand-driven operation of the cryogenic facilities for accelerator operation at FAIR	KAUSCHKE, Marion KOLLMUS, Holger
11:50 AM	[11] The IRIS project for a new research infrastructure for superconductivity in Italy	Prof. ROSSI, Lucio
12:20 PM	[19] IRIS & THOR: Salerno INFN infrastructures for superconducting applications	GAMBARDELLA, Umberto
