

Superconductivity for Sustainable Energy Systems and Particle Accelerators

Thursday 19 October 2023

Session 2 - SB1.1.201 Lecture Hall & Side Room (10:50-12:50)

-Conveners: Anna Szwangruber

time	[id] title	presenter
10:50	[3] Test Stand for Energy-Responsible Accelerator Systems	ARNSBERG, Jonas
11:20	[6] Demand-driven operation of the cryogenic facilities for accelerator operation at FAIR	KAUSCHKE, Marion KOLLMUS, Holger
11:50	[11] The IRIS project for a new research infrastructure for superconductivity in Italy	Prof. ROSSI, Lucio
12:20	[19] IRIS & THOR: Salerno INFN infrastructures for superconducting applications	GAMBARDELLA, Umberto
