

Superconductivity for Sustainable Energy Systems and Particle Accelerators

Friday, October 20, 2023

Session 5 - SB1.1.201 Lecture Hall & Side Room (9:00 AM - 10:30 AM)

-Conveners: Kei Sugita

time	[id] title	presenter
9:00 AM	[14] Superconducting Magnets for Accelerators from an Industrial Point of View	WALTER, Wolfgang
9:30 AM	[10] HTS beam transfer magnets	WINKLER, Tiemo MÜHLE, Carsten ROUX, Christian-Eric SUGITA, Kei
10:00 AM	[15] Enhancing Sustainability in Large-Scale Accelerators: Revamping Beam Lines with Superferric Magnets	MARIOTTO, Samuele
