VALUES AND CHARACTERISTICS

VALUES

IN WHAT WE BELIEVE:

BOLDNESS

Courage to invent its own model, originality as a mean to disrupt the existing ones

HUMANISM

Focused on the development of human persons above all

OPENESS

The curiosity to reach out to other cultures, people, knowledges, methods, and to learn from this sharing

ETHICS

In search of a fairer society model, in economic, social, and environmental terms

CHARACTERISTICS

THE WAY WE ACT:

PIONERING SPIRIT

Daring to propose, clearing the way to a new technological education

INCLUSION

Allowing people to pretend to a higher life thanks to a university in which everyone can find a place

CREATIVITY

Fostering creativity in the way people think and act. Having enough self-confidence and autonomy to constantly reinvent yourself

RESPONSIBILITY

Committed to moving towards this ideal little by little by having a constant attention on it and a reasoned Way to act

DRIVING PROCESS OF EUT+

+ THE PRIMACY OF STRATEGY → WHERE ARE WE GOING? THE VISION

+ AND THE OPERATIONAL → WHAT ARE WE DOING? THE ACTION

To contribute to the momentum that Europe absolutely needs, we are considering an unprecedented endeavor:

Merging our institutions into a single European University

This is based on a foundation of core values.

- + Complete integration, on the most ambitious road possible
- + Involvement of all parties, all stakeholders, fully inclusive
- + Redefining a humanistic technology
- + Think Human First

- + Redefining the university as an original societal actor
- + Maximum mobility, multilingual, towards European diplomas
- + An alternative vision fully endorsed

GET_INvolved Programme with EUt+

Dedicated work packages planned

WP1. Internships
(local students and exchange students)

WP2. Traineeships
(alliance partner students/researchers)

WP3. Study tours
(alliance partner students/researchers)

EUt+ is a direct access for GSI/FAIR to young and talented individuals in technology and engineering studies among 9 countries with more than 100.000 students enrolled
