

Career Path in Academia and beyond *

Friday, 1 December 2023 09:00 (1h 30m)

The session will give an overview of job search strategies, use job boards and online platforms, and how to tailor your application materials to specific job postings. You will learn about how to prepare for job interviews, how to develop a strong research profile, including how to publish in high-impact journals and how to build a network of collaborators.

Presenters: TRACEY, Ian (Anchored In); Mrs HAY, Viola (Anchored In)
