

Investment Pitching Training

Thursday, 30 November 2023 11:00 (1h 30m)

We will explore why investors want to see a pitch deck, what to include and how to present it. How to find investors and how to approach them.

You can bring your own ideas and use them to practise investment pitching. You will receive direct feedback from the experts. If you don't have an idea of your own, we have suggestions for you to practise pitching anyway.

Presenters: Mr TRACEY, Ian (Anchored In); Mrs HAY, Viola (Anchored In)
