

Probing dense baryonic matter with hadrons II: FAIR Phase-0

Tuesday 20 February 2024

Input from hadron physics: Part 1 - SB1 Lecture Hall (09:00-10:30)

time	[id] title	presenter
09:00	[8] Hadronic interaction studies in many-body systems at the LHC	DEL GRANDE, Raffaele
09:30	[36] Discussion	
09:45	[9] Results from pion beam experiments with HADES	RAMSTEIN, Beatrice
10:15	[35] Discussion	

Input from hadron physics: Part 2 - SB1 Lecture Hall (11:00-12:30)

time	[id] title	presenter
11:00	[54] Perspectives for pion induced physics at GSI/FAIR	FODA, Ahmed Marwan Abdelrahman
11:30	[38] Discussion	
11:45	[10] Perspectives for p induced physics at SIS100	RITMAN, James
12:15	[37] Discussion
