

Probing dense baryonic matter with hadrons II: FAIR Phase-0

Wednesday 21 February 2024

EOS and matter properties at high baryon densities: Part 1 - SB1 Lecture Hall (09:00-10:30)

time	[id] title	presenter
09:00	[15] Nuclear matter properties at high μ_B	RENNECKE, Fabian
09:30	[16] Discussion	
09:45	[17] Soft deconfinement and quark saturation	KOJO, Toru
10:15	[18] Discussion
