

# DPG Spring Meeting in Giessen 2024

## Tuesday 12 March 2024

### Hadrons and Nuclei: Focus Session I: New Results on Nuclear Structure at Shell Closures (14:00-15:30)

time	[id] title	presenter
14:00	[11] First laser spectroscopy measurements of $^{53}\text{Ca}$ and the prospects for measuring $^{54}\text{Ca}$	LELLINGER, Tim
14:30	[12] High-precision mass measurements near Sn-100 challenge nuclear theory	NIES, Lukas
15:00	[13] Ab initio advances for medium-heavy nuclei and electroweak properties	MIYAGI, Takayuki
