

# DPG Spring Meeting in Giessen 2024

## Wednesday 13 March 2024

### Hadrons and Nuclei: Focus Session II: Emergence of Collectivity in Few-Body Hadron Systems (14:00-15:30)

time	[id] title	presenter
14:00	[18] Observing the emergence of elliptic flow	BRANDSTETTER, Sandra
14:30	[19] Multi-particle correlations: from hot-and-dense quark-gluon matter to an ultracold-and-dilute system with few atoms	SELYUZHENKOV, Ilya
15:00	[20] Hydrodynamic attractors and transport in small systems	MAZELIAUSKAS, Aleksas
