

EMMI Open Symposium: Understanding light (anti-)nuclei production at RHIC and LHC

Monday 08 April 2024

Open Symposium - SB1 Lecture Hall (09:00-14:00)

-Conveners: Alberto Caliva

time	[id] title	presenter
09:00	[23] Introduction and welcome	CALIVA, Alberto ELFNER, Hannah BLUM, Kfir
09:10	[1] Experimental overview on light (anti)(hyper)nuclei production at the LHC	PINTO, Chiara
09:55	[2] Experimental overview on light (anti)(hyper)nuclei production at RHIC	XU, Zhangbu
10:40	Coffee Break	
11:10	[3] Thermal production of light (anti)(hyper)nuclei	VOVCHENKO, Volodymyr
11:55	[4] Production of (anti)(hyper)nuclei via coalescence and kinetic approach	KAIJIA, Sun
12:40	Lunch Break
