

School on Concepts of Modern

Amplitude Analysis Techniques

Summerschool, September 18-26, 2013

Flecken-Zechlin, Germany

Welcome to Flecken-Zechlin

Details about the school
Details about the house

School on Concepts of Modern

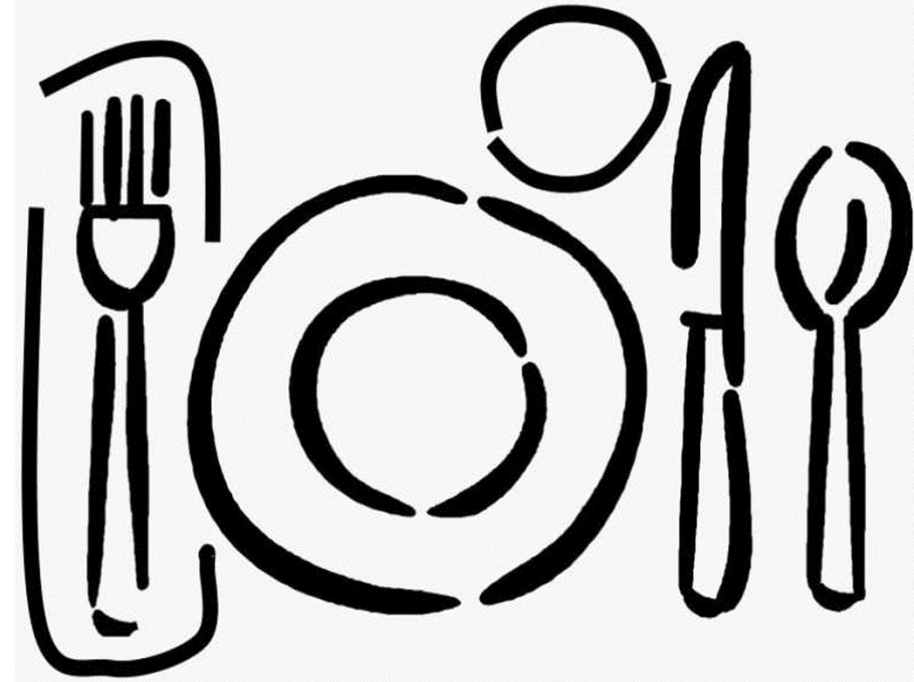

**Amplitude Analysis
Techniques**

Meals

7:30 – 8:30 am Breakfast

12:30 – 2:30 pm Lunch

7:00 – 8:00 pm Dinner

Clear the table please !

BBQ at the end of each block

Miriam Fritsch

School on Concepts of Modern

**Amplitude Analysis
Techniques**

Drinks and beverages

During the day

Water and juice for free
in the seminar room

Evenings

Frigide in the pub with tally list

School on Concepts of Modern

Amplitude Analysis
Techniques

Passcodes

Door code

3020

WLAN (seminarroom)

seminar2

WLAN (room: NETGEAR-WLAN)

CRxwBhve

Please do not use your Laptop/iPad during lectures !!

School on Concepts of Modern

**Amplitude Analysis
Techniques**

Facilities for recreation

Gym

Sauna

Billiard/Tabletop Soccer

Canoe

Beach volley ball

Swimming

...

Amplitude Analysis
Techniques

Organization Team

Miriam Fritsch

Klaus Götzen

Klaus Peters

Fabian Heidelberg

Roman Klasen

School on Concepts of Modern

**Amplitude Analysis
Techniques**

Lectures

Introduction and K-Matrix Applications

Dynamics, K-Matrix and more

Statistics in spectroscopy experiments

Complex Analysis

Spin Formalisms and Examples

Dispersion Integrals

Chiral PT

Miriam Fritsch

Klaus Peters

Michael Pennington

Frank Porter

Adam Szczepaniak

Boris Grube

Jose Pelaez

Stefan Scherer

School on Concepts of Modern

**Amplitude Analysis
Techniques**

Students presentations and discussion

15 Minutes Talks

Questions and Box for questions

School on Concepts of Modern

**Amplitude Analysis
Techniques**

Excursion to Berlin on Sunday
