Vision

We support researchers in **recognizing and seizing transfer opportunities,**
...so more outstanding research results **find their way into society and the economy.**

What we offer

HAFIS supports you with a **project-based approach**:

In a nine-month cycle, we accompany you in identifying and implementing your own transfer projects that fit your research and suit your personal interests.

Come With or Without Idea

Without own Idea

Bring your field of research with you

Develop your own idea or join a team

With own Idea

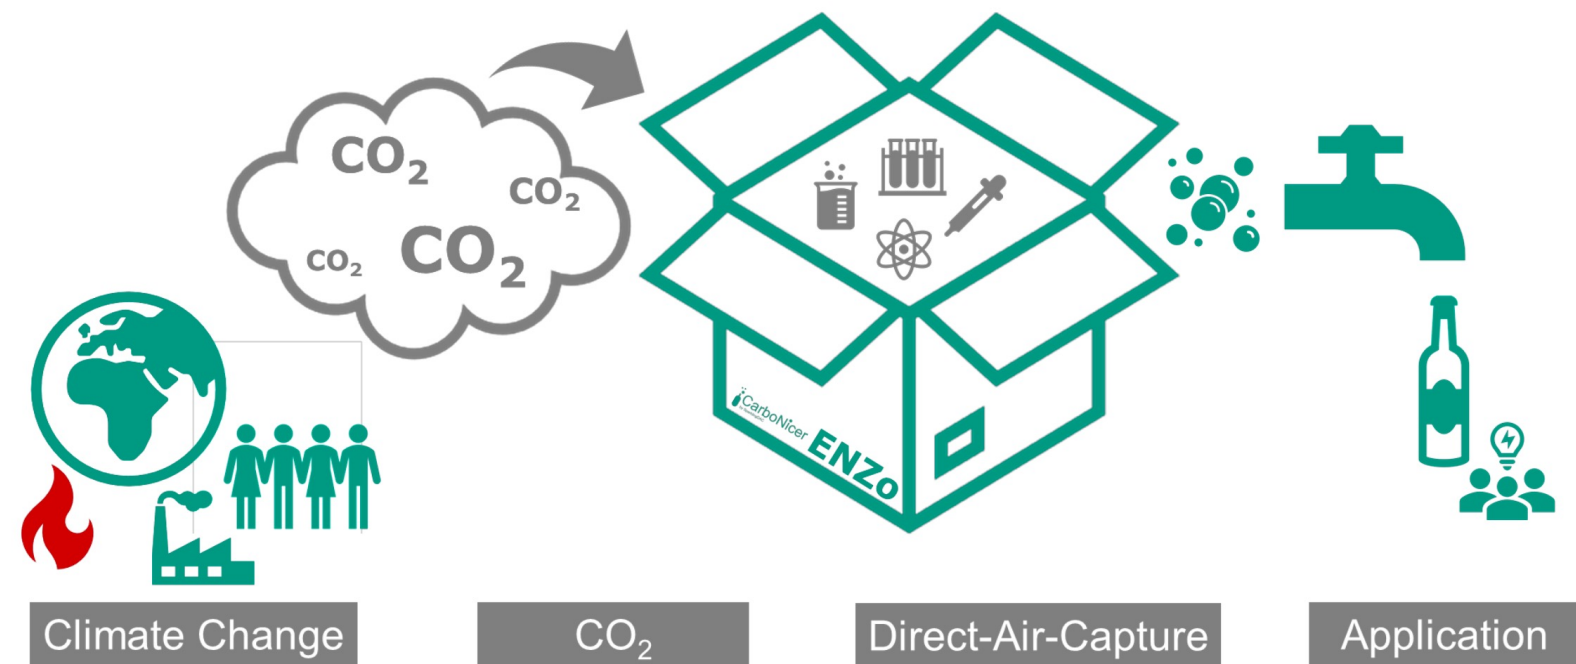

Bring an idea with you

Develop your idea further and gain team members as an option

Inspiring Example

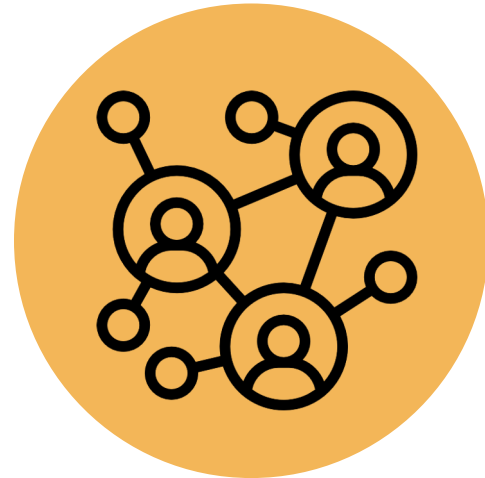

Research field catalysis technology:

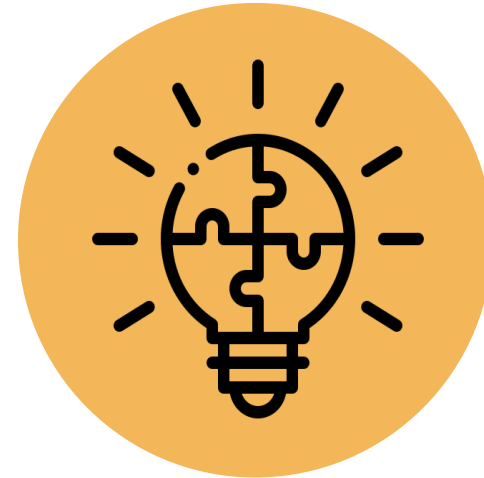

Timeline

Your benefits

Connect with researchers and decision makers

Learn about tools & techniques

Receive coaching from external experts

Build teams and collaborate

Industry **funding** to finance your research

New **career paths** and **connect** with industry

Department's benefits

- ✓ Transfer culture as an indicator for **PoF evaluation**
- ✓ Contribution to the **transfer strategy of HGF & GSI**
- ✓ New possibilities for **third-party funding**
- ✓ **Financial returns** from transfer projects
- ✓ **Network** & new professional contacts
