

RICH 2025

XII International Workshop on Ring Imaging Cherenkov Detectors
Mainz, Germany 15-19 September 2025

Best Poster by an Early Career Researcher

Avani Bhardwaj

Queen's University, Kingston, Canada

“Characterization of Aerogel Radiators for RICH Detectors
Using Optical Coherence Tomography”

Best Talk by an Early Career Researcher

Hazal Göksu

Max Planck Institute for Nuclear Physics, Heidelberg, Germany

“Status of the Southern Wide-field Gamma-Ray Observatory”

Mainz, September 19, 2025

Eugenio Nappi

for the RICH2025 International Scientific Advisory Committee

Jochen Schwiening

for the RICH2025 Local Organizing Committee
