

GSI/FAIR AI Workshop

Tuesday 29 October 2024

Session - KBW Lecture Hall (11:00-12:00)

-Conveners: Thomas Neff

time	[id] title	presenter
11:00	[19] Machine Learning Algorithms for Pattern Recognition with the PANDA Barrel DIRC	WOLF, Yannic
11:15	[16] Neural Network corrections for particle identification in ALICE	WILKINSON, Jeremy
11:30	[21] Development of ML algorithm for reaction layer determination in LISA array	DAS, Debajyoti
11:45	[3] Machine learning methods for mass and lifetime measurements of unstable isotopic and isomeric states in storage rings	SANJARI, Shahab
