

Beam Dynamics meets Magnets

Tuesday 03 December 2013

Magnets: the challenge of the design (11:00-12:00)

-Conveners: Cherrill Spencer

time	[id] title	presenter
11:00	[38] Measurement of a dynamic field by rotating coil	MARUSOV, Vassily
11:25	[20] Approaches for the quantification of uncertainties in stochastic magnet design	Prof. SCHÖPS, Sebastian
11:45	[21] Special design aspects of the superconducting corrector magnets in SIS100	SUGITA, Kei
