

# TASCA 26 FAIR construction site visit

Please complete the questionnaire and return it by **April 27, 2026**, at the latest to [tasca@gsi.de](mailto:tasca@gsi.de).  
Participation is not possible without providing all the required information!

## What you should have in mind

- The minimum age for participation in the tour is 18 years.
- Various scaffolding and stairs must be used.
- The tour will take place on foot and on the FAIR site there will likely be no seating available.
- With preparations, the tour can last up to 2 hours.
- Good health is therefore required.

## Safety briefing

- A legally required safety briefing must be completed before starting the tour.
- This briefing is intended to provide information about specific dangers and rules of behavior on the FAIR site.
- It takes place at the FAIR West Gate terminals and is available in several languages.

## PPE (personal protective equipment)

- PPE is mandatory for entering the FAIR site.
- It consists of a safety helmet, high-visibility vest, and safety shoes (S3).
- A limited quantity is available for loan at the FAIR West Gate.
- S3 safety shoes are available in EU sizes 36 to 49.
- A comparison table for shoe sizes can be found on the back page.

## What else is required:

- For guests: Photo ID card/passport
- For GSI/FAIR employees: GSI ID card  
The GSI ID card number can be found on the back of the card in the lower right corner (see image on back page).
