

# **EMMI Rapid Reaction Task Force: Emissivity of matter under extreme conditions, dileptons and chiral symmetry: established connections and missing links**

**Saturday 05 October 2013**

**TOP 3: Baryon resonances: present status and understanding of vector-meson (mainly  $\rho$ ) - resonance couplings - KBW**

**Lecture Hall (14:00-18:00)**

**-Conveners: Chair : Vitaliy Shklyar**
