

# EMMI Rapid Reaction Task Force: Quark Matter in Compact Stars

## Monday 07 October 2013

### Signals and constraints (14:00-18:00)

-Conveners: Haensel

time	[id] title	presenter
14:00	[4] Masses of black widow pulsars: why high values should not be a surprise	HORVATH
14:30	[5] Signals of quark matter in core-collapse supernovae	SAGERT
15:00	coffee	
15:30	[6] Quark matter in compact stars: Indications from x-ray and radio pulsars	SCHWENZER
16:00	[7] Quark matter and cooling of compact stars	NEGREIOS
16:30	[8] discussions
