

EMMI Rapid Reaction Task Force: Quark Matter in Compact Stars

Tuesday 08 October 2013

Hybrid stars (14:00-18:00)

-Conveners: Schramm

time	[id] title	presenter
14:00	[14] Are quarks not hadron-confined in compact stars?	XU
14:30	[15] Massive stars within self-consistent approaches	DEXHEIMER
15:00	coffee	
15:30	[16] NJL hybrid stars and the recent $2M_{\odot}$ pulsars	LUGONES
16:00	[17] Hadron-quark mixed phase with geometrical structure and equation of state	MARUYAMA
16:30	[18] discussions
