

International Conference on Science and Technology for FAIR in Europe
2014

Contribution ID: 44

Type: **not specified**

Monolithic Pixel Detectors for High-Precision Vertexing and Tracking in High-Rate Heavy-Ion Experiments

Tuesday, 14 October 2014 15:15 (30 minutes)

Primary author: MUSA, Luciano (CERN)

Presenter: MUSA, Luciano (CERN)

Session Classification: Instrumentation I
