

International Conference on Science and Technology for FAIR in Europe 2014

Wednesday 15 October 2014

Applied, Plasma and Atomic Physics II and Heavy Ion Physics III - Mozartsaal (16:30-18:15)

-Conveners: Karlheinz Langanke

time	[id] title	presenter
16:30	[54] Resonant coherent excitation of heavy ions in a crystal at relativistic energies	AZUMA, Toshiyuki
16:50	[47] Plasma Physics at FAIR in an international context	RILEY, David
17:15	[55] First plasma physics experiments	NEUMAYER, Paul
17:40	[124] First experiments with CBM	SENGER, Peter
