

# Topical Workshop of the FLAIR Collaboration

## Friday 16 May 2014

### Precision Experiments and HCI - Zentraler Seminarraum (13:30-15:00)

-Conveners: Wolfgang Quint

time	[id] title	presenter
13:30	[21] A 13-fold improved value for the electron mass	KÖHLER, Florian
14:00	[22] X-ray laser spectroscopy of highly charged ions: Testing QED with advanced radiation	CRESPO, José
14:30	[23] Design and setup of Penning trap for the study of ions in extreme laser fields	KUMAR, Sugam
