

# ECTI 2014 - 3rd European Conference on Trapped Ions

## Tuesday 16 September 2014

### Session 5 (09:00-10:30)

**-Conveners: Jochen Walz**

time	[id] title	presenter
09:00	[12] High-precision Penning-trap mass spectrometry on radionuclide	DILLING, Jens
09:30	[13] The g-factor of highly charged ions – Stress test for the Standard Model and access to fundamental constants	STURM, Sven
10:00	[14] ISOLTRAP's multi-reflection time-of-flight mass separator and spectrometer	WOLF, Robert
